

Cake Toppers

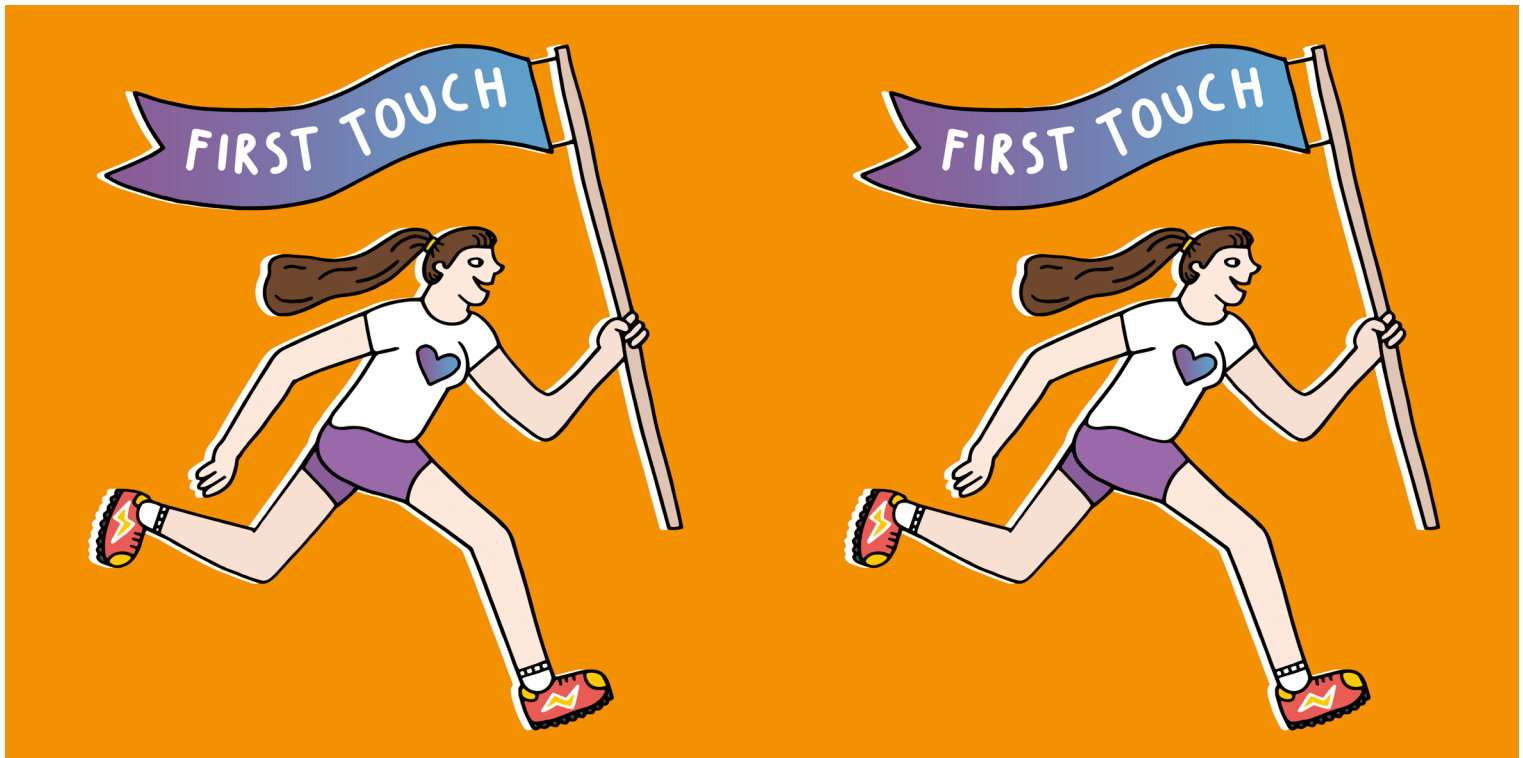

A cake sale is a great way to raise money for charity. We've made Cake toppers that you can use to decorate your cakes and fly the flag for First Touch NNU.

1. Cut around the rectangle
2. Fold in half, then glue the inside
3. Attach to rod and stick it together

You'll need: Scissors, Glue and a thin rod (we recommend using a wooden kebab skewer)

Be sure to send us a picture of your decorated cake!

@FirstTouchNNU
